## DREAM HYMNS

### MY BELOVED

Meet me, my beloved,  
In the garden near the sea,  
Enfold me in your beauty,  
Your sweet dark mystery.

Meet me, my beloved,  
Dissolve me with your kiss,  
So deep make my surrender  
Only in you will I exist.

Meet me, my beloved,  
Where there's no such thing as time,  
Take me and possess me,  
Show me the sublime.

Meet me, my beloved,  
All my will is gone,  
Play me your sad violin,  
Turn me into your love song.

Play me your sad violin,  
Turn me into your love song.
